## The Start of Summer...

I hope you have all had an enjoyable Easter Break and it has been wonderful to welcome everyone back to school this week.

We have such an exciting and busy term ahead with activities such as whole school cricket festival, yoga days, Parents evening and many school trips and year group assemblies.

I would like to thank each and every one of the children and parents that sent in a donation to Africa. The children were overwhelmed with your generosity and you have made such a difference in their lives by donating everyday items that they don't have access too. Whilst I was there I got the opportunity to teach which was incredible and I shared the experience in a whole school assembly on Monday. It is such an amazing opportunity visiting these small towns in Africa and hopefully it will be something I am able to continue and involve our pupils at Penwortham Primary School doing for many years to come.

## Ready, Set.... Romans!!

Y3 enjoyed a wonderful trip to Ribchester to visit the Roman Museum on Tuesday. Although they got off to a slow start thanks to the traffic around Penwortham, once they arrived everyone had a wonderful time. The children learnt lots of new facts from a Roman expert and all of the children got to hold real Roman artifacts as well as dress as an actual Roman Foot Soldier! Thank you to all of our wonderful volunteers who make these trips possible. The children were amazing too!

## Cricket Festival...

The whole school took part in the cricket festival on Tuesday. Luckily we had some sunshine so the children could be outside to really show off their batting skills! Thank you to Dave the coach for sharing his top tips and helping everyone improve their technique.
