In school this week...

This week we have welcomed visitors from SCARF life education who did an interactive talk to each class at the beginning of the week. Everyone enjoyed getting involved with the session and the educator from SCARF expressed how much fun he had with every class and how incredible our pupils engaged and asked deep questions about their life skills topic. The children learnt about their bodies, feelings and friendships.

Year 1, 2 and 4 had a visit from the HCRG Care Group today. 3 nurses came to school to explain to the children the importance of handwashing, using a glitterbug potion and a lightbox they were able to show the children how to wash their hands properly to stop the spreading of germs.

Year 5 have successfully completed their Borwick hall residential adventure. Mrs Chatterton, Miss Ainsworth, Mr Wolfe and Mrs Duke are so proud of the exceptional teamwork, perseverance and enthusiasm shown. Miss Penarski visited on Monday evening and enjoyed the beautiful singing led by Mrs Chatterton and her secret guitar playing skills - just magical as well as hearing all about how brave they have been to conquer so many activities and challenges together as a class team.

We want to give a shout out to the Y6 class this week who have been amazing during SATs practice week. They have all tried their hardest and we are so proud of their unwavering commitment to their learning and being the best they can be.

Today we have said goodbye to Mrs Owen our welfare staff member who has been at Penwortham for almost 14yrs. She will be deeply missed by everyone and we wish her all of the best for the future.
