## Penwortham Family News...

Miss Spall and her partner welcomed their newest addition just before the Easter half term. Olive Butterworth was born on the 6th April and the proud new family is happy and healthy. We send them all our love in enjoying the newborn bubble with their beautiful baby girl.

*Congratulations*

We recently put a survey on our facebook page to find out if there is an interest to have a pre-school within Penwortham Primary. We understand you may not want to commit yourself to using the service right now but we would still be grateful for your feedback. We would really appreciate if you could share the survey to any friends/family also.

We received the sad news a member of staff passed away earlier this month. Barbara Booth was a teacher at Penwortham Primary and even taught some of the staff here now. Mrs Watkinson, Miss Ainsworth and Mr Wolfe remember the teaching techniques of Mrs Booth and what a character she was in class. We send our thoughts and love to the family at this time.

## Inspirational...

One of our reception families arranged a 50 mile bike ride fundraising event on Sunday for the Spinal Injury Association. This charity is close to their hearts as Abigail's uncle has a spinal cord injury and is unable to walk and he completed the ride on a hand cycle. Abigail helped out during the day and cheered in all of the cyclists at the finish line. A true inspiration to us all.

In school this week we had a visit from ProSports Coaches, they carried out a Road 2 Paris workshop where all classes took part in Paralympic activities. Working alongside expert coaches they got to experience: Bocci, Boxing, Archery, Speed Bounce and wheelchair racing. This was a fantastic day and everyone really enjoyed themselves playing new activities.
